

## SPANISH

This course focuses on four major components of Spanish: reading, writing, understanding, and speaking. These components are addressed through lessons in vocabulary and grammar with real world applications.

The students will:

- Ask someone's name.
- Ask how someone is.
- Introduce others.
- Indicate where they are and where others are from.
- Give phone numbers.
- Name the time, day and date.
- Spell words and give e-mail addresses.
- Describe someone.
- Ask someone's age and birthday.
- Describe things and activities that the student and others like.
- Know school subjects.
- Identify food related subjects.
- Recite the parts of the body.
- Create daily routines.
- Express feelings.
- State shopping terms.
- Understand travel words.
- Translate readings into from Spanish to English and from English to Spanish.
